

Ref. AP014-2563

25 August 2020

Subject: Amendment to financial statements for Q2/2020 ending 30 June 2020

To: Managing Director
The Stock Exchange of Thailand

Asia Precision Public Company Limited (“Company”) has found that items in the statement of financial position of 30 June 2020 are inconsistent with the reality, namely Short-term borrowings and Current income tax payable items. Therefore, the Company has amended the items with details as follows:

	Separate financial statements	
	Before	After
Short – term borrowings	15,408,096.94	-
Current income tax payable	-	15,408,096.94

The aforementioned amendment does not affect the financial statements ending 30 June 2020, and therefore does not constitute as an important item.

Yours faithfully

Asia Precision Public Company Limited
