### **Operating Results:**

Overall operating results of the Company and its subsidiaries in the consolidated financial statement for the year ended 31 December 2020 compared with same period of 2019 are as follows: Revenue decreased by Baht 655 million (23.5%). Profit for the period decreased by Baht 261 million (82.9%). and Profit attributable to owners of parent decreased by Baht 224 million (94.1%).

1. Revenue from AUTO business decreased due to the outbreak of COVID-19, which caused the economic slowdown and directly impacted the global supply chain
2. Revenue from EPC business decreased due to the outbreak of COVID-19, which delay some clients’ decisions to move forward with the projects in pipeline; although, the proportion of clients in this category is not high. Nevertheless, the Company had adjusted target revenue recognition to reflect the current situation.
3. Revenue from WATER business decreased due to the outbreak of COVID-19 and draught situation. Nevertheless, the company prepared sufficient water to deliver to meet the contract. The increase in cost was due to higher wages and depreciation.
